

SOL FEST FAQ's

WHAT IS TRAIL-A-THON?

Trail-a-Thon is a community fundraising event that gives participants the opportunity to raise funds for CorpsTHAT. Through November 30th to Jan 1st, Trail-a-Thon participants get outside through doing different recreational activities, share stories of their outdoor adventures, and raise funds that directly support job opportunities and outdoor programming for Deaf and Hard of Hearing youth and adults.

After registering, participants set up a fundraising page through the Give Lively platform. Be sure to share your fundraising page and that you are participating in the Trail-a-Thon with your friends, family, and anyone else wanting to support making the outdoors more inclusive. Participants can raise one time donations or receive donations per [mile/hour] or per [activity].

IS THERE A REGISTRATION FEE?

Anyone is welcome to join and start raising money for CorpsTHAT. Once you raise \$50 we will send you your Sol Fest 2021 shirt, stickers to share with your donors and other fun goodies. You are welcomed to make the first \$50 donation yourself as a 'seed' donation to encourage others to donate to your campaign.

HOW DO I REGISTER?

Registration opens November 30th! Registration is for individuals but feel free to build teams when you're creating your fundraising page on the Give Lively platform.
